&Beyond Bateleur Camp

Promotions | 2026-2027

Selected published offers, summarised by Secrets VIP. Availability, supplier terms and a confirmed written quotation determine the final benefit. This document is separate from the accommodation rates.

Fly Me to the Mara

Stay three nights at Bateleur on the applicable 1-3-night rate and receive scheduled return flights between Nairobi Wilson Airport and the Mara. Valid 1 January-31 May and 1 November-20 December in 2026 and 2027, plus 1-10 January 2028.

For full-paying adults; family tents are excluded. Minimum passenger numbers apply: normally two, or four for low-season afternoon flights. Taxes and park/concession fees remain additional. The operator selects the airline; supplements or amendment fees may apply. Unused flights have no cash credit. Other offers generally cannot be combined, except on eligible extension nights.

Safari Honeymoon

One partner pays the full accommodation rate; the other receives 50% off. Published travel dates: 11 January-31 December 2026 and 1 January-20 December 2027.

Minimum two nights, travel within six months of marriage and marriage certificate required. Discount is based on the published rack rate. Family rooms and villas are excluded; cannot be combined with other offers or long-stay rates. Flights, taxes and normal rate exclusions remain additional.

More Mara, Less Park Fees - 2026 only

For travel 1 July-31 December 2026, &Beyond covers 50% of the daily Masai Mara park fee: a published saving of US$100 per adult or US$25 per child per day.

For new bookings made from 18 May 2026. This specific offer can be combined with other offers, under normal supplier terms. No 2027 extension is stated in the published offer.

Longer stays

The accommodation page confirms preferential rates from four nights. The separate Kenya long-stay offer currently publishes 2026 savings of up to 5% for 4-5 nights, or up to 15% for six or more nights outside June-September. Savings vary by season and property. We confirm the best eligible rate; do not assume that the published 2026 percentages extend to 2027.
