WELCOME TO THE **MAHALI MZURI KIDS' CLUB**

At Mahali Mzuri, we understand that each 'Little Warrior' (that's what we call the kids) is unique, which is why we don't offer a set kids' programme. Instead, we curate a wide range of activities, each tailored to suit the age and interests of every child or group. Parents have the flexibility to either join in on the fun with their children or enjoy some time for themselves.

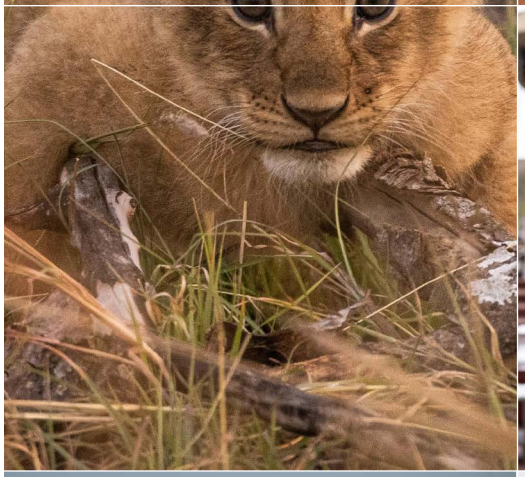

Our specially designed programmes aim to introduce children to the wonders of the African bush, fostering a sense of adventure and a deep appreciation for the wilderness that will stay with them for a lifetime.

We're delighted to welcome children over the age of two to join in this unforgettable experience.

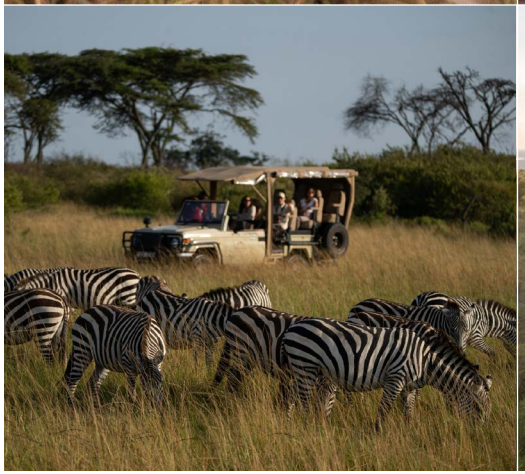

Let the adventure begin!

ACTIVITIES

AT MAHALI MZURI KIDS' CLUB

ACTIVITIES

Here at Mahali Mzuri, we've put together a range of fun activities that will keep your little warriors engaged and entertained.

Tracking Skills Treasure Hunt

Let's see how good your little explorers are at following clues around the camp. We'll organise a treasure hunt where they'll get to track down hidden surprises while learning some basic safari tracking skills. It's all about adventure and discovery!

Nature Spotting Safari

Take a mini excursion around the camp to see what critters you can spy. From lizards to insects and beautiful birds, there's always something to spot! We'll guide you to the best spots for wildlife sightings, no matter how big or small.

Let the Games Begin

We've got a whole stack of games to keep the fun going, but we're also open to hearing your kid's favourites. Whether it's a group game or something quiet, we'll make sure there's plenty of time for play.

Kids' Spa Treatment

Why not add a little pampering to the adventure? Our kids' spa treatment is designed to help little ones relax after a day of exploring.

Story Time with a Twist

After a day full of activities, why not wind down with a bedtime story? Your guide can share fascinating tales about the animals of the bush. We'll also have milk and cookies ready for the perfect end to the day.

GOOD TO KNOW

FOR MAHALI MZURI KIDS' CLUB

ON GAME DRIVES

Kids aged six and above are welcome to join their parents on game drives. When not on drives at least one parent will need to stay at camp with their kid(s). While out in the bush, we kindly ask for Little Warriors to keep their voices low so the wildlife doesn't get scared off. For children aged 6-12, they'll get the .best seat in the back of the vehicle, listening closely to the Guide. The length of the game drive may be a little shorter if the Guide feels it's necessary. The roads can be a bit dusty, so please bring sunglasses to protect little eyes.

IN CAMP

While the larger animals get the most attention, smaller animals can also be unpredictable, so it's best to keep kids close by. Children under 12 must be with an adult near the pool, as there's no lifeguard. Our Askari give extra attention to tents with kids at night. For safety, Little Warriors must be accompanied around camp, as it's located in an open wildlife area. We don't offer babysitting. If your child is uneasy about the dark, we can provide a night light. Complimentary sun cream, mosquito nets, and spray are provided in each tent.

FOOD & DRINKS

We know feeding kids can be tricky, so we've created a special food and drinks just for them! From tasty snacks to light meals, everything is prepared to match your child's tastes and dietary needs.

ACCOMMODATION

We have one tent specially designed for families, complete with a dining area, large open living area and two bathrooms with separate bath and shower areas. For safety, kids under 12 must not sleep in a tent without parental supervision. Kids aged 12-15 can stay in their own tent, but we highly recommend that any child under 15 shares a tent with their parent for peace of mind.
